Know What's Below

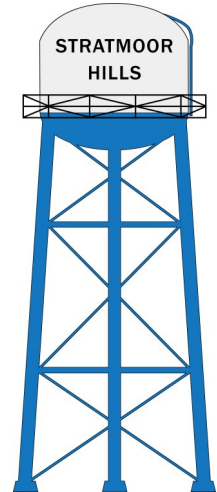

Summer is a great time to complete outdoor projects. If you're digging deep or even just a few inches, you must contact Colorado 811 to have underground utilities marked. Colorado 811 works with Stratmoor Hills Water and Sanitation districts, along with other facility owners to make certain we are notified of any digging activity planned in our service area. Our operators will respond within 72 hours.

It is important to call 811 before you dig, so you can avoid hitting any underground utilities, such as cables, wire or pipes. It is also the law to contact 811 before you dig.

You can start digging once all your markings are in place, or you receive a positive response from the utilities on your ticket.

Homeowners and Professional Excavators can call 811, or go to the Colorado 811 website at www.colorado811.org to request a locate. Please note: it is necessary to **Call 811 directly** to report Emergency and Damage tickets.

There is no cost to have an area marked, so do not hesitate to call before you dig!

Colorado 811 Has Updated It's Logo

This update was designed to refresh and modernize their brand look and draw more attention with a more vibrant and engaging color combination. Colorado 811 works closely with facility owners to get the word out on how important it is to call 811 before digging!

SUMMER WATERING TIPS

- Adjust sprinklers to prevent water from spraying on non-landscaped areas including the sidewalk or street.
- Water in the morning or late evening when temperatures are cooler to minimize evaporation.
- If water runs off of your lawn easily, split your watering times into shorter periods to allow for better absorption.

SEWER PROBLEMS

If you have problems with your sewer line, please give us a call first so that we can determine if it is your service line or our main line. If it is in your line, we will notify you promptly. If it is our problem, we will take care of it immediately.

Wishing Everyone a Safe and Enjoyable 4th of July!

Stratmoor News is published monthly by the Stratmoor Hills Water, Fire Protection and Sanitation Districts. For questions, comments, or suggestions, please contact Kirk Medina, at 576-0311. The Stratmoor Hills Water, Fire Protection and Sanitation Districts are governed by an individual, elected Boards of Directors. Currently, the members for each of the three Boards are: Robert Colgrove—Chairperson/President, James Pesicka—Vice Chairperson/President, John Willcox—Secretary/Treasurer, Cindy Dent—Director, and Richard Dull—Director.

Board elections are held in May of odd-numbered years. Board meetings are typically held on the third Wednesday of each month beginning at 3:00 p.m. at the Fire Station (2160 "B" Street). Meeting agendas are posted at the Water District office (1811 "B" Street), the Fire Station and at the Stratmoor Elementary School (200 Loomis Avenue). If you would like more information about the Districts, please contact Kirk Medina at the Water and Sanitation Districts at 576-0311 or by e-mail at kirk@stratmoorhillswater.org or Dottie Barrett for the Fire Protection District at 576-1200 or by e-mail at mail@shvfd.com
